Mills Community Support Corporation

IS LOOKING FOR GREAT PEOPLE

We're looking for new team members to encourage people to achieve their life goals, and become a contributing member of their community

Known for our welcoming, fun team work environments and generous compensation, Mills Community Support Corporation is a forward-thinking, compassionate organization focused on an innovative approach called person-centred thinking. We help to support people with developmental disabilities and seniors in Lanark County to develop and achieve personal goals, healthy relationships, and life skills.

If you have a good attitude, common sense, experience in life, and flexibility, COME meet our team and find out more about us
